## Word Hunt

How many Basketball words can you find?

On Friday morning my teammates and I had to catch a plane to travel to Sydney. When we got there, we were so excited that we bounced off the plane and into the car, while our coaches assisted us with our bags. On the way to our hotel, we passed the opposition players who were practicing their defence on some courts outside. Our game was the next day so we only had a short block of time to practice our shooting to help us score in offence. As soon as we got to the hotel we dropped our bags, did a pivot and ran back down to the car to go to the stadium. The next day we won our game and had I had so much fun playing with my friends. In the game I got lots of rebounds and I also scored 5 foul shots that hit the backboard and went straight in the ring.
