Seperate discount codes need to be set up for the U13 & Above levy and U12 & Below levy.

A percentage discount will only discount any fees set at your association level. Whatever percentage is entered will discount that percent of the association fee ONLY.

A fixed amount discount can also discount other fees from higher levels (BA, BSA and SAC levies). NOTE: If you set up a fixed amount discount for more than your associations fees, this will discount the levies for the end user. BUT these levies still need to be paid in the system and will be automatically deducted from your association's Stripe account
